

Flyway Youth Ambassador Program

What is the Flyway Youth Ambassador Program?

The Program will be composed of 12 FYF participants who will act as representatives for the Flyway Youth from the Forum until September 2022. Ambassadors will be the spokespeople for the Flyway Youth across international and regional forums and discussions with the support of Youth Engaged in Wetlands.

Objective

The objective of this program is to keep the Flyway Youth connected beyond the Forum for continued communication, collaboration and action for the Flyway.

Benefits of being a Flyway Youth Ambassador

Being a Flyway Youth Ambassador allows young people to take a leadership and representative role within the FYF community and access greater networking opportunities through the partner organisations. In addition, the Ambassadors will receive a “Thank You” package for their commitment to the Flyway Youth Forum and for taking up the responsibilities of being Flyway Ambassadors.
